

# Dubuque Area CEO

*Catholic Evangelization Outreach*

The Dubuque Area CEO is a ministry led by the Holy Spirit to assist local parishes in the Catholic Church's mission to evangelize. To evangelize is simply to be instrumental in bringing others to Christ through our witness and our words. All of us, not only clergy and religious, are called by God to do this by virtue of our baptismal call. CEO will renew and energize people to

personally embrace this task as commanded by the Lord Jesus himself.

**Our effort consists of talks shared by Catholic lay people, who will give witness to the presence of Christ in their lives and inspire us to develop a new or deeper relationship with Him. Come listen to Shaun Kleitsch share her story.**

*It is a challenge for me to try to describe with words my journey toward full surrender to the care of Jesus. God has entrusted me with so much. I am the mother of six children. I am a teacher. I have also been asked to show God's love as the "enrichment and pastoral care lady" at our church. There have been, and still are, days of sorrow, days of joy, days where God's presence is exploding in my heart and days when I feel nothing at all. So, like Peter, I have often sank when fear and doubt take over or when I feel like I need to be in control of everything. But today I am "staying afloat" a little easier. How that happened is my "faith story" and with God's help, I will be able to share that with you.*
