

Dubuque Area CEO

Catholic Evangelization Outreach

The Dubuque Area CEO is a ministry led by the Holy Spirit to assist local parishes in the Catholic Church's mission to evangelize. To evangelize is simply to be instrumental in bringing others to Christ through our witness and our words. All of us, not only clergy and religious, are called by God to do this by virtue of our baptismal call. CEO will renew and energize people to

personally embrace this task as commanded by the Lord Jesus himself.

Our effort consists of talks shared by Catholic lay people, who will give witness to the presence of Christ in their lives and inspire us to develop a new or deeper relationship with Him. Come listen to Colleen Pasnik share her story.

In spite of having devout Catholic parents, the Faith was not very important to me in my late teen and early adult years. I always believed in God, but as someone who was "out there," and who didn't have anything to do with me personally. After all, He was busy with priests and sisters and others who wanted to spend time with Him. I followed the Commandments and teachings of the Church that I liked and when I felt like it, and ignored the ones I didn't, just like everyone else I knew. Then one day my mom gave me a small book to read, and it changed my life forever. God is not only real, but He wants to have an intimate relationship with each one of us.
